Re: Wyman Gordon Pennsylvania, LLC  
Cases 04-CA-182126 et al.

**ORDER**

The Charging Party's Motion to Strike Exhibits Attached to Respondent's Brief in Support of Exceptions and All References to these Exhibits is granted. References, and inclusion, of documents that were not admitted into evidence, and are therefore not part of the official record, are excluded from consideration by the Board. The Respondent has not moved to reopen the record to permit the inclusion of the cited evidence in the record through appropriate procedures. Moreover, the Board may not take judicial notice of the disputed exhibits because the facts asserted therein are facts in dispute.

Accordingly, Exhibits A and B of the Respondent's Brief in Support of Exceptions and any and all references to it are stricken.

By direction of the Board:

Dated, Washington, D.C., January 11, 2019.
